

Auckland Philharmonia Foundation Charter

- We will always respect your privacy. We recognise and appreciate that your Will is completely personal to you
- We realise that, rightly, your family and loved ones will always come first
- You can tell us that you've left a gift if you want to and we'd love to hear – but you don't need to and we won't keep asking
- If you choose to tell us, you can decide how you would like to be involved with us and what you would like to know about our work
- We will use your gift carefully and cost effectively so that it has the greatest impact
- We will handle whatever gift you leave us efficiently and also with sensitivity and respect
- We will honour your wishes and use your gift as directed by you
